1. ORGANIZATION

Supplier

1.1 How many years has your organization been in business as a ~~Contractor~~
Colorado Doorways has been in operation in Denver, Colorado, since 1974.

1.2 How many years has your organization been in business under its present business name?

1.2.1 Under what other or former names has your organization operated?

None

1.3 If your organization is a corporation, answer the following:

1.3.1 Date of incorporation: August 15, 1986

1.3.2 State of incorporation: Colorado

1.3.3 President's name: Jerry D. Ladd, Chief Executive Officer

1.3.4 Vice-president's name(s): David R. Dupuis, President

James H. Johnson, Vice President

Gregory A. Hartl, Vice President-Finance

Keith A. Rigli, Vice President-Operations

Janice A. Baumgartner, Vice President-Admin.

Stephen T. Luebbers, Vice President

Ernie M. Chavez, Vice President-Project Services

1.3.5 Secretary's name: Janice A. Baumgartner

1.3.6 Treasurer's name: Gregory A. Hartl

1.4 If your organization is a partnership, answer the following:

1.4.1 Date of organization:

1.4.2 Type of partnership (if applicable):

1.4.3 Name(s) of general partner(s):

1.5 If your organization is individually owned, answer the following:

1.5.1 Date of organization:

1.5.2 Name of owner:

- 1.6 If the form of your organization is other than those listed above, describe it and name the principals:

2. LICENSING

- 2.1 List jurisdictions and trade categories in which your organization is legally qualified to do business, and indicate registration or license numbers, if applicable.

- 2.2 List jurisdictions in which your organization's partnership or trade name is filed.

Colorado Secretary of State

3. EXPERIENCE

- 3.1 List the categories of work that your organization normally performs with its own forces.

Division 8 materials, including hollow metal doors and frames, wood doors, and architectural wood doors, and finish hardware. Colorado Dooways, Inc. is licensed by Underwriter's Laboratories and Intertek Testing Services to custom fabricate and fire label hollow metal frames and Timely frames; and by Intertek Testing Services to machine and fire label wood doors and architectural wood doors.

- 3.2 Claims and Suits. (If the answer to any of the questions below is yes, please attach details.)

3.2.1 Has your organization ever failed to complete any work awarded to it? No

3.2.2 Are there any judgments, claims, arbitration proceedings or suits pending or outstanding against your organization or its officers? No

3.2.3 Has your organization filed any law suits or requested arbitration with regard to construction contracts within the last five years? No

- 3.3 Within the last five years, has any officer or principal of your organization ever been an officer or principal of another organization when it failed to complete a construction contract? (If the answer is yes, please attach details.) No

3.4 On a separate sheet, list major construction projects your organization has in progress, giving the name of project, owner, architect, contract amount, percent complete and scheduled completion date.

3.4.1 State total worth of work in progress and under contract:

3.5 On a separate sheet, list the major projects your organization has completed in the past five years, giving the name of project, owner, architect, contract amount, date of completion and percentage of the cost of the work performed with your own forces.

3.5.1 State average annual amount of construction work performed during the past five years:

3.6 On a separate sheet, list the construction experience and present commitments of the key individuals of your organization.

* Architectural Hardware Consultant (AHC) is the certification designation recognized as a mark of excellence throughout the industry. This professional certification attests to the high principles of the individual and that he or she is a professional prepared to provide sound architectural door and hardware specification advice and counsel to architects, contractors, and building owners. The Door and Hardware Institute awards these credentials to individuals who have successfully completed a prescribed series of training and have passed rigorous certification examinations. Individuals pursuing certification must complete the core educational curriculum before branching off to follow a particular discipline.

* Distinguished Architectural Hardware Consultant (DAHC)

** Electrified Hardware Consultant (EHC)

*** Certified Professional Locksmith (CPL)

**** Certified Construction Documents Technologist (CDT)

***** Certified Master Locksmith (CML)
